

LIVING OUT EXTRAVAGANT GRACE

FINANCIAL REPORT
APRIL - JULY 2020

On behalf of the elders, thank you for your ongoing and sacrificial giving to College Park Church.

Your generosity allows us to together pursue our mission of igniting a passion to follow Jesus in our community, our region, and around the world. I hope you are encouraged by this brief financial update and summary of ministry impact for April 2020 through July 2020.

Even though so much has changed since March, the everlasting God remains the same, just as he promised. God continues to welcome people into faith in Jesus. He continues to be near to the broken hearted and provide peace to the anxious. God continues to answer prayer, and he continues to use his church to reflect his love. We rejoice in the faithfulness and goodness of our God!

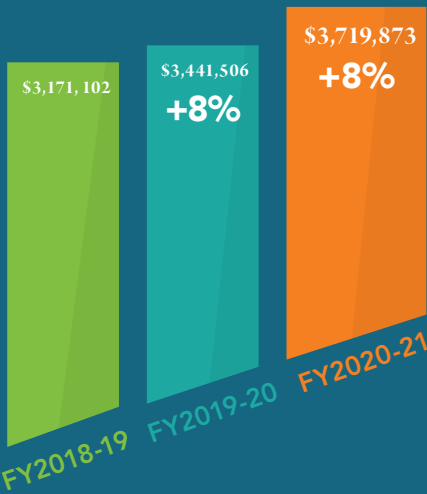

Feel free to contact me or one of the other elders if you have questions or comments.

Gratefully,

Bruce Smith
Exec. Pastor of Operations
