# NEW ELDERS

## GREENWOOD

---

### Stanley Turnipseed

---

Stanley and his wife, Terrylee, have been married 47 years and have one married son and a three-year-old granddaughter. The Turnipseeds have attended College Park Church since November 2017 and they became members of College Park Greenwood last summer. There, Stanley serves by leading the Sunday morning Usher Team.

Before retiring, Stanley worked as a registered pharmacist at Eli Lilly. At a previous church, he served as an elder for two three-year terms and served as the chairman of the elder council for three of the six years. Stanley is grateful and humbled to be considered for the role of an elder of College Park Greenwood.

### Tommy Van Abeele

---

Tommy and his wife Debbie have been members of College Park Church for the last five years. They have three daughters who are married and six grandchildren who they enjoy spending time with. Tommy is the Vice President of Human Resources for a Christian mission sending agency that is based out of Greenwood. He serves in the Hospitality Ministry at College Park Greenwood. Tommy is thankful for consideration for this role, as he humbly desires to be a servant leader for his church family and help others grow by coming alongside them in faith.
