INDEPENDENT AUDITORS' REPORT

Board of Elders
College Park Church
Indianapolis, Indiana

We have audited the accompanying consolidated financial statements of College Park Church, which comprise the consolidated statement of financial position as of March 31, 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Elders
College Park Church
Indianapolis, Indiana

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of College Park Church as of March 31, 2019, and the changes in its consolidated net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 2 to the consolidated financial statements, College Park Church has adopted Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. This has had a material effect on the presentation of the March 31, 2019, consolidated financial statements. Our opinion is not modified with respect to this matter.

Notes to Consolidated Financial Statements

March 31, 2019

1. NATURE OF ORGANIZATION:

College Park Church (Church) is incorporated in the state of Indiana and is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code (code). The Church is classified as a publicly supported organization rather than a private foundation under Section 509(a)(1) of the code. Contributions to the Church are deductible for income tax purposes.

The Church is a nondenominational, Christian fellowship that exists to “ignite a passion to follow Jesus.” The Church operates five congregations: North Indianapolis, Fishers, Castleton, Greenwood, and One Fellowship. The programs and opportunities available through the Church are varied. They are aimed at every age and need whether spiritual, relational, emotional, or physical. It is the Church’s intent to meet each individual at the point of their most urgent need and gently lead them to enjoy the exciting life God has made available to them by exalting Christ, experiencing community, and embracing a calling.

The Fishers congregation organized as a separate legal entity as of August 29, 2018, but still operated as a congregation of the Church through March 31, 2019. See Note 12 for the planned separation and related transfer of the Fishers congregation assets effective April 1, 2019.

All functions, programs, and activities of the Church serve to enhance, reinforce, further, or otherwise contribute to the Church’s purpose. Therefore, all functions, programs, activities, and teachings are to be consistent with Biblical truth and guidelines whenever and wherever applicable. In the event Biblical guidelines do not address a specific matter, the Church must adhere to the highest possible spiritual and moral standards.

The Church is a multi-ministry outreach with ministry emphasis in the areas of outreach and missions; worship and arts; children and youth programs and activities; small group programs, special events, and other activities; and other pastoral services.

La Vid Verdadera, a Hispanic Church, operates as an extension of College Park Church’s local outreach ministry and is not a separate legal entity. Its financial activity is included within College Park Church’s financial records.

Gladstone Property, LLC (Gladstone), is a limited liability company organized under Indiana law on September 22, 2014. Gladstone is a wholly owned subsidiary of the Church. The purpose of Gladstone is to own property that is granted by the Church. The property is currently being rented to another nonprofit organization at no charge.

2. SIGNIFICANT ACCOUNTING POLICIES:

The consolidated financial statements have been prepared on the accrual basis of accounting. The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The significant accounting policies followed are described below to enhance the usefulness of the statements to the reader.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the financial activities of College Park Church and its wholly owned subsidiary, Gladstone Property, LLC. All material intercompany accounts and transactions have been eliminated in consolidation.

CASH AND CREDIT RISK

For purposes of the consolidated financial statements, cash includes cash on hand, checking accounts, and money market accounts. While the Church's cash balances may at times exceed federally insured limits, it has not experienced any losses in such accounts. The Church believes it is not exposed to any significant credit risk on these accounts. As of March 31, 2019, the Church had cash on deposit with financial institutions that exceed the federally insured (FDIC) balance by approximately \$4,504,000.

DONATED INVESTMENTS

Donated investments are initially reported at quoted value on the date of the gift and thereafter reported at fair value using quoted prices in active markets for identical assets. The Church's policy is to liquidate any donated investments shortly after original gift date.

PROPERTY, EQUIPMENT, AND DEPRECIATION

Items capitalized as property and equipment are reported at cost or, if donated, at fair market value on the date of donation. The capitalization policy is \$5,000. Building and equipment are depreciated on the straight-line method over their estimated useful lives ranging from 5 to 40 years.

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

NET ASSETS

Net assets without donor restrictions are those currently available for use in the Church under the direction of the Board of Elders and those resources invested in property and equipment—net of accumulated depreciation, related debt, and other related liabilities. See Notes 4 and 6.

Net assets with donor restrictions are those stipulated by donors for specific operating purposes by congregation or those not currently available for use until commitments regarding their use have been fulfilled. The Greenwood and One Fellowship congregations were funded through the North Indy - Next Door restricted fund. See Note 7.

SUPPORT, REVENUE, CONTRIBUTED SERVICES, AND RECLASSIFICATIONS

Contributions are reported when made, which is generally when cash is received, unconditional promises are made, or ownership of donated assets is transferred to the Church. Bequests are reported as support at the time the Church has an established right to the bequest and proceeds are measurable. The Church's ministry could not be fully achieved without the dedicated efforts of many volunteers. These contributed services are not reported as they do not meet the "specialized skills" requirement under current accounting standards. Revenues are reported as income when earned.

Reclassifications represent funds released to net assets without donor restrictions from net assets with donor restrictions when expenses have been incurred in satisfaction of those donor restrictions.

CONCENTRATION OF SUPPORT RISK

Support for the Church comes primarily from donor contributions from members, concentrated in the Indianapolis, Indiana geographic area.

EXPENSES

Expenses are reported when incurred. There were no advertising costs or joint costs for the year ended March 31, 2019. The consolidated financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation, interest, and facility and facility maintenance, and other which are allocated on a square footage basis, as well as salaries and benefits and information technology costs, which are allocated on the basis of estimates of time and effort. The costs of providing various program services and supporting activities have been summarized on a functional basis in the consolidated statement of functional expenses.

3. LIQUIDITY AND FUNDS AVAILABLE:

The following reflects the Church's financial assets as of March 31, 2019, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the consolidated statement of financial position date. Financial assets are considered unavailable when illiquid or not convertible to cash within one year. The Church considers general expenditures to include all expenditures related to its ongoing ministry and outreach activities during the normal course of the year as well as the conduct of services undertaken to support those activities.

Financial assets:

Cash	<u>\$ 4,884,455</u>
------	---------------------

Less those unavailable for general expenditures within one year, due to:

Contractual or donor-imposed restrictions:

Purpose restrictions	(711,984)
----------------------	-----------

Board and management designations:

North Indy congregation	(462,539)
-------------------------	-----------

Fishers congregation	(115,228)
----------------------	-----------

Castleton congregation	<u>(74,459)</u>
------------------------	-----------------

	<u>(1,364,210)</u>
--	--------------------

Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 3,520,245</u>
--	---------------------

The Church is substantially supported by contributions, which at times are received with restrictions. Those contributions with donor restriction require resources to be used in a particular manner or in a future period. The Church must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. The Church has \$3,202,609 in net assets with donor restrictions for specific purposes, of which \$1,110,112 will be transferred to the Fishers congregation as part of their transition to an unaffiliated, self-governed church subsequent to fiscal year end (see Notes 7 and 12). Additionally, \$1,380,513 of the total net assets with donor restrictions is considered available to meet ministry needs for general expenditures within one year. Also, donor restricted funds in the amount of \$750,000 were internally borrowed to avoid additional external debt in January 2017. Management has committed to paying back these funds with minimum monthly payments of \$45,000 beginning in November 2018 through a maturity date of March 2020.

As part of the Church's liquidity management, the Church has established guidelines for making decisions related to managing short term cash reserves and other investments in a prudent manner. The Church follows a conservative approach to managing cash reserves through use of low risk money market accounts in an effort to maintain principal balances and avoid investment losses. Also, the Church has a secured revolving line of credit (see Note 5) of which, \$1,000,000 remains available to draw as of March, 31, 2019.

Monthly payments are interest only. The Church made no draws on this line of credit during the year ended March 31, 2019.

The Church has recorded an internal note payable to the global Christmas offering funds.
