

LEGACY BUILDERS

Growth

We want men and women in this season of life to be fully equipped for spiritual growth and to have a strong vision for finishing well. Opportunities in this area include Legacy Builders monthly events, and spotlight events.

Community

We want to spark new relationships as well as develop connections for long-term community. Our primary place for lasting community is Small Groups, followed by Adult Big Groups and Men's and Women's Bible studies; however, Legacy Builders creates age-appropriate opportunities to spark new relationships including Legacy Builders Hymn Sings and many other social events!

Service

We want to follow Jesus' example in giving our lives away. That's why we invite people to serve both within the church and in our larger community in short-term and long-term capacities. Opportunities include unique one-time service opportunities throughout the year (via our Legacy Builders Mailing List), partnering with our Local Outreach organizations, and serving in various ministries throughout the church.

Care

We know that there are needs in this season of life, so we want to connect men and women to places in our church where they can have their needs addressed by God's resources and the care of our church. These opportunities include widow ministry, financial assistance, hospital visitation, and various Compassion ministries.

For more information on this ministry, or if someone you know does not have access to the internet or does not use email, contact [Karen Davis](#).
