

Event Screening Details

Onsite Events

Individuals attending onsite events that take place indoors should wear a mask at all times while in the building and maintain physical distancing.

Individuals attending onsite events that take place outside should maintain a distance of 6-feet or more from those outside their group.

Self-Screening

We ask that all individuals who plan to attend onsite events **take their temperature** 30 minutes before arriving onsite. If your temperature is at or above 100.4 °F, please do not attend in-person. We also ask that you not attend in-person if:

- You or anyone in your household *are experiencing* any symptoms (such as cough, fever, shortness of breath, chills, muscle pain, sore throat, loss of taste or smell)
- You or anyone in your household *has experienced* any symptoms (such as cough, fever, shortness of breath, chills, muscle pain, sore throat, loss of taste or smell) within three days (72 hours) of the event
- You have been exposed to anyone who is sick with COVID-19 within the last two weeks

If an individual is unable to complete any part of the self-screening prior to arrival, please notify the attendant at the event for assistance and screening.
