

VISION TRIPS

We believe that taking a trip to experience the sights, sounds, and smells of our strategic partner countries is the best way to get a real vision for our ministries. College Park embarks on vision trips every year in almost every season.

The application deadline for 2018 Vision Trips has passed. Be on the lookout for details about our 2019 trips, which will be posted shortly.

Church Planting

Through focusing on evangelism and discipleship, our goal is to see churches planted among the unreached people groups of the world.

Prayer

Prayer is the foundation of everything we do and our only confidence for success. Pray about your involvement and follow God's direction.

Finances

You are responsible for the costs of your trip. You are welcome to raise support, but we would encourage you to pay for at least a part of your trip from your own resources if you are able. We encourage you not to draw funds away from your regular church giving for your trip. NOTE: All costs listed are estimates and are subject to change. The Global Outreach team will keep you updated, once you're signed up, if any prices change.

Team Preparation

Your team will meet several times before departure: to pray, bond together, and learn about the country and ministry where you will be serving. These meetings are an essential part of the whole experience.

Training Sessions

Attendance-required sessions will be staged for the purpose of helping Vision Trip participants fully prepare to serve.

Debriefing

To help you process all that you've learned on the trip, you will have a debriefing meeting with your team upon return.
