

WOMEN'S BIBLE STUDY

For everything that was written in the past was written to teach us, so that through the endurance taught in the Scriptures and the encouragement they provide we might have hope (Romans 15:4).

College Park Church offers Women's Bible studies on Tuesdays and Wednesdays (both in the morning and evening). There are a variety of different studies to choose from. To get started, please email [Jane Schuth](mailto:jane.schuth@collegeparkchurch.com).
